To Whom It May Concern:

I have had the pleasure of working aside Aaron Castro for more than a year as owner and CEO of Track Star Entertainment.

Aaron graduated from The Recording Connection Program while receiving his training at Track Star Studios. Aaron is skilled in mixing and recording techniques and has extensive knowledge of Pro Tools and other DAWs.

Aaron is professional when dealing with studio clients and can be trusted to work on sessions without supervision. I would be pleased to recommend him for any audio-related position at your company.

Sincerely,

Josquin des Pres
