

Black screen. Sound of rain fades in. Black screen dissolves to first clip of a hallway. Camera goes through the house with eerie silence; the only sound heard is shoes on the hardwood floor. The footage cuts to the Mystery Room doors and the shoe sounds stop. There's a knock on the door and the camera turns around to see the front door. Front door opens to reveal Haldane standing there, smiling. "Hello. I'm Haldane Turner. I'm expected."
