

Apple Retail Opportunities

A store like no other. A career like no other

Whether you're analytical or creative, tech savvy or insightful, there's a place to share your talents while you learn, develop, and inspire. With so many interesting and passionate people around you, the Apple Retail Store is the perfect place to launch your career and put your education to work.

Creative

Creatives share their passion for the digital arts by teaching workshops and one-to-one customer training sessions. This is a great place for aspiring digital artists of all kinds, including photographers, filmmakers, musicians, editors, and web designers.

Genius

A Genius provides frontline technical support at the Genius Bar, including hardware and software troubleshooting, diagnosis, and repair. This is the perfect role if you like analyzing and solving all types of problems.

Specialist

Specialists are at the heart of our reputation for extraordinary customer service—they love people, they love technology, and they love our products. Understanding our customers' needs and connecting them with the right solution is what being a Specialist is all about.

Business Specialist

When customers are looking for business solutions, they come to you. As a Business Specialist, you'll be an advocate for Apple products and services and know exactly how to use them to fill business customers' needs. If you love talking Apple and talking business, this might just be the role for you.
