Work Experience

Guitar Instructor, Oxford School of Music

January 2012 to Present

- Teaching students of all ages and skill levels how to read music, proper playing techniques, and music theory.
- Building and maintaining relationships with students as to inspire the continuation of learning through lessons.

Interns Experience

Studio Intern, Harmonie Park Studios

January 2012 to July 2012

- Worked with a studio engineer on a bi-weekly basis assisting in the engineering and mixing of sessions.
- Worked on voice work sessions and sessions of various musical styles.
- Assisted in running live sound for the studio's webcast.

Musical Experience

Bandleader, The Rhythm Shakedown

May 2010 to April 2011

- Arranged contracts for work on the Royal Caribbean International and Oceania cruise ships as a musical act.
- Worked with the Cruise Director to create excitement and interest in the band amongst guests.
- Managed three band members and oversaw their day to day interactions within the group as well as with the guests.
- Evaluated each group member's performance as a representative of the company and saw to it that the company's policies were upheld to the highest standards possible.
- Recorded, edited, and mixed backing tracks to be used in conjunction with live performances.
- Performed with the group as a lead vocalist, guitarist, and keyboardist four to five hours a day.
- Transcribed over 150 popular music songs and arranged them to suit the quartet's instrumentation and abilities.

Bandleader, Escaping Pavement

October 2011 to Present

- Writing, recording, producing, editing, and mixing songs to be included on the band's upcoming debut album.
- Working with another songwriter in the group to take unrefined, incomplete songs and sculpting them into complete thoughts with defined sections and dynamic interest.
- Working within the group to create a unique sound that is cohesive and defining.
- Creating and managing all social networking websites for the group, continuing to increase an online presence while strengthening our brand.
