

Chapter 15 Quiz

1. What is contained in a director's workbook?

A director's workbook contains everything the director needs for every scene in the movie, such as a shooting script, a shot list, storyboards, blocking sheets, character notes, and any tear sheets necessary.

2. What does it mean to line the shooting script?

When you line a shooting script, you draw vertical lines from the beginning of a shot to the end of it.

3. What is the most important thing for a director to do before shooting has even started? What makes it vital to the process?

The most important thing a director can do before shooting starts is to get prepared. It is vital to getting things right and sticking to a strict budget and schedule.
