

Treatments

Misappropriation

3 down on their luck college friends decide to move in together. Soon after, an invasion of trash-stealing aliens inspire them to start their own alien investigation reality show.

Firestarter

A young, captured Native American woman escapes to the woods in an effort to not be captured by a rival tribe. She goes on a journey through finding her way to freedom although she's already separated from her tribe.

God Bomb

A powerful entity decides to create a human form for himself to live as a person and experience human thoughts and emotions.

Shoegaze

A female from another dimension decides to enlist in her government's military in an effort to join her brother and start a new life in another world.

Hate Box

Three generations of women use their spiritual prowess to protect their family from misfortune, spanning across several decades and across North America.
