Fueled By Ramen
Record Label
Warner Music Group
1633 Broadway, New York, NY 10019

Dear Interviewer,

I am applying to the Tour Manager position because I am passionate about music, touring, managing people and I believe I will be a great addition to the Fueled By Ramen team. I have years of experience as a stage manager for live theater and am a trained audio engineer, which I believe makes me very capable for the job. I will follow up on this application by either email or phone.
