Employment History:

Feb 06 - Present

Disc Jockey

~ As a DJ I have learn't to play to my crowd no mater what it may be. I have played for weddings, safe grads, school dances, as well as nightclubs.

~ I have history working with a variety of genre's from Dubstep to Country.

~ In the last 6 years I have been the resident DJ at a local nightclub. I also teamed up with DJ Knowledge from Las Vegas, and performed at the Grey Cup Pre Party in Calgary.

Aug 07 - May 08 = The Lounge 94.1 FM

Board Operator

~ During the Hurricanes Hockey season I would be at the station during games operating the board, obtaining connections, managing commercials, preparing time management for after the game.

Education:

~ Audio Engineering - Recording Connection - L.A Studio - 2012 - Present

~ Cosmetology - L.A School of Hair – Diploma - Red Seal Completed.

~ Communication Arts - Broadcast Journalism - Completed 1 of 2 years.

~ High School - Catholic Central High School - Diploma

Skills/Interests:

~ I am able to work with ProTools and Serato as my main engineer/DJ Software programs.
~ Being a mom has improved my multi-tasking skills in a tremendous way. I love spending time with my family.

~ I put all my effort into any job until there is satisfaction from my supervisor.

~ Rollerblading, Spending time on the computer, Watching movies, Reading and Listening to Music are a few of my hobbies.
