
Dear Syreeta,
I've written this recommendation of your work to share with others.

Details of the Recommendation: "Syreeta is a top notch engineer who gets great and beautiful sounding results!! She handles all of our live sound reinforcement needs and knows her craft very well whether it be analog or digital she is up to date. Syreeta has a musical background which comes in handy getting the proper mix and sound quality of the instruments and vocals. Her experience and technical background enables her to troubleshoot problems that may arise along the way. Syreeta is always on time, prepared, professional and accountable. Syreeta anticipates problems and is creative and proactive in making decisions that will make the overall sound quality the best it can possibly be!! She communicates well with leadership, makes equipment and physical recommendations and explains the technical language in terms that is easily understandable for the layman. I would definitely recommend Syreeta for any engineering needs."
