To: Shane Powell &lt;shanepowell969@gmail.com&gt;

To whom it may concern,

Shane Powell has recently completed the Recording Connection mentor course on recording and Protocols. He has demonstrated an inspired eagerness to excel in this business... He is always punctual, polite, prepared, and usually goes beyond the required elements of his studies. He is a quick learner and able to interpolate newfound knowledge and apply it to the real world... In addition, I truly enjoyed his unique level of musical and technical creativity...

He understands what it means to have a vision for a project, set a tone, and make it happen. He loves the music business and will work hard to be successful. I like his passion and creativity, and I would trust him in the work environment. It was a pleasure being his mentor.

Sincerely,

Randy Wills ... Exceptions Studios
